

THE TRI-STATE ELITE ADVANTAGE

CLUB PHILOSOPHY

- **Culture is everything.** We foster a family environment where athletes and teams celebrate successes together. We focus on developing successful young women on and off the court.
- **Training plans** are developed and implemented by our club directors. Plans are executed at every session.
- Our lead coaches direct weekly positional groups.
- Every athlete trains with multiple coaches and club players.
- Our **highly competitive practice gym** focuses on a thought-out combination of individual and team development. All players learn and execute all skills.
- Results prove that our players and teams continuously advance and improve year over year.
- We provide knowledgeable, connected, and tenured recruiting assistance at no additional charge.

TEAM SUCCESS

- We currently have **5 nationally ranked top 50 teams** in their age divisions.
- Our teams consistently **finish in the top 10 at major events** in their respective divisions. Blue teams play Open, White teams play Premier, and Gray teams play Club. All of our teams are National teams.

PLAYER SUCCESS

- Through skill development, team skills, leadership skills, high school success, college accomplishments, and more, our athletes are **constantly preparing for the next steps** in their journeys.
- TSE has **114 athletes who have played, are playing, or are committed to playing in college** across all NCAA and NAIA divisions. Currently, TSE athletes are participating at 48 schools. We've assisted in player development, and athletes have earned accolades that include All-American, Conference Player of the Year, All-Conference, Setter of the Year, Libero of the Year, and National Champions.
- TSE has high school athletes competing at **31 different** high schools in the area.
